

AUDCLICKBK

Portable WiFi & Bluetooth Speaker with Amazon Alexa

ALL ABOUT AUDCLILCK

Portable WiFi & Bluetooth Speaker with Amazon Alexa (Compatible with Apple and Android Smartphones and other Bluetooth Devices)

Though small in size, the Aud Click uses a 360° omni-directional audio with a very unique volume adjustment wheel to give you crisp sound. The small size allows portability so you can travel and enjoy great music and Alexa on the go.

Play music from your personal library or from all of the major streaming services and internet radio stations like Amazon Music, Prime Music, iTunes, Apple Music, Tunein, and iHeartRadio.

Just Click and Ask
What can you ask Alexa?

Weather News Alarm & Timer Music Shop

+ Much more
(i.e. control other IoT products)

"What's the weather?"
"What is the score of the New York Yankees game?"
"Set the timer for 10 minutes."
"Play some jazz from Prime Music."
"Open Domino's and ask for my Easy Order"

Click and Play
Play music from your favorite streaming services and radio stations
