

CentralAlert™ Mini Alert System

A Simple Notification System For Your Home

Model
CA-Mini

Model CA-Mini
(Cell phone not included)

The CA-Mini System includes a Wireless Cell/Landline Phone Detector and a Wireless Doorbell

The CA-Mini System alerts you to incoming calls and SMS messages on your cell phone, landline and a guest at your door. It uses loud and distinct audible tones, a bright flasher and optional bedshaker to alert you. Stylish, compact, portable and wireless, the CA-Mini System is designed for easy set-up.

Features:

- It alerts you to the ringing of your cell/landline phones and notifies you a new SMS message on your cell phone. Never miss a call again!
- The easy to install, weather-resistant, wireless door bell alerts you to a guest that has arrived at your door.
- Unique, bright flashing patterns and adjustable ring tones distinguish calls from landlines and cell phones.
- Output jack for an optional bed shaker (sold separately) to alert you while you sleep
- A USB port is built-in for convenient charging of your cell phone.
- AC adapter powered with battery back-up (not included).
- One year warranty
