

CentralAlert™ REAL-TIME BABY CRY SENSOR, Model CA-BX, #CA2002

The CA-BX is placed
on a counter
near your baby.

It picks up the cries of
your baby and notifies
you on your CA-360
Notification System.

**The CA-BX
monitors the sound of your baby on a real time basis
and it sends a wireless signal to trigger the CA360 to alert you.**

**It stops when your baby stops making any noise. With adjustable sensitivity,
there will be no more false alarms; a peace of mind at last.**
