

Directtalk™ HANDS-FREE LISTENER

Hear everything any time, anywhere!

Features

- 3-In-One design for you to hear everything---one-to-one or group conversations, talking on the phone/cell, listening to music, using with loop system, watching movies on planes and more.
- Totally hands-free, it rests naturally and comfortably on your shoulder, nothing to hold or to hang onto your clothing.
- Proprietary High Definition Sound (HDS) Technology delivers near-by-sounds in panoramic clarity directly to your ears while suppressing background noise.
- Hi-fidelity speaker with passive noise isolation stays gently and comfortably in your ears without creating pressure or discomfort.
- Selectable Digital One Enhancement allows you to boost and enhance the speech frequencies that you can't hear well, making difficult to hear words intelligible again.
- Automatic Gain Control optimizes sound level for superior listening comfort, no more sudden blasts.
- It's so light-weight that you feel like you're not wearing anything.
