

HomeAware™ Deluxe Receiver

HA360RK

The Deluxe Receiver will alert you to all signals from the HA360M Main Unit. The alert message will scroll across your HA360R display, such as DOOR, PHONE, etc. along with the flashing ultra-bright strobe light. The Deluxe Receiver can only be used with the HA360M Main Unit and will not receive signals directly from the transmitters.

Features

- Scrolling alert messages are shown on its bright red large 2 inch display
- Caller ID for landline and videophone calls
- Add up to an additional 1,000 feet of range to the HA360M.
- Full battery back up
- One-year Sonic Alert® warranty
