

# HomeAware™ Smartphone Transmitter

## HA360SPT

The HomeAware™ HA360SPT Smartphone Transmitter allows you to link your Apple or Android smartphone to your HomeAware™ system.

The HA360SPT enables you to be notified on the HomeAware™ system when you receive incoming calls and text messages on your smartphone. Notifications are shown on the HomeAware™ Main Unit, Remote receivers and displayed with original Sonic Alert receivers when using an HA360BU bridge unit.

Please note that only one smartphone can be connected to the HomeAware™ HA360SPT Smartphone Transmitter at a time. One-year Sonic Alert® warranty.
