THE WEARABLE SMART PHONE ALERT

Know what's coming in on your smart phone anytime, anywhere!

You may not have your smart phone in your hands at all times. But don't worry, you will not miss a thing. The InstaLINK® is a lightweight wrist band watch that can easily be worn anywhere you need to go. It connects to your phone via Bluetooth®, and can alert you to calls, text messages, or even social media alerts! You can have your phone in your purse or pocket and still know exactly what's going on at a glance.

Features:

- Powerful vibration and non-intrusive flashing light to alert you.
- Know exactly what is coming in on your smart phone at a glance.
- Shows name or phone number of the caller.
- Different icons for call, text, or social media activities for easy differentiation.
- Powerful vibration guaranteed to wake you up.
- Medicine alarms remind you to take your medicine.
- Stylish and classy looking design.
- Splash proof design.
- Breathable and sweat-proof durable wrist band for extra comfort.
- Out of range notification so you are always in connection with your smartphone.
- 12/24 hour digital clock
- Long lasting rechargeable battery offers days of standby time.
- Low battery indicator for extra convenience.
- Free App works with iOS 8 & Above and Android 4.4 & Above (Bluetooth 4.0 & Above)
