

Sonic Traveler SBT600ss

Our Sonic Traveler is the ideal loud go anywhere traveling alarm clock with bed shaker, USB charging and easy controls.

The Traveler from Sonic Alert is an ideal companion for those on the go, whether its business or pleasure. Take the Sonic Traveler with you to wake up to your favorite clock and charge your phone at the same time - don't leave home without it. Compact and stylish, the Traveler has a number of very useful features including Sonic Alert's unique bed vibration that provides a tactile sense ensuring you wake up even while others continue sleeping (with volume turned down). The bright red display is easy to see and adjustable so you can choose the brightness you want.
