## Web-only content

### Product name

VTech CareLine SN7022 Wearable Home SOS Pendant for VTech SN5127 & SN5147 Senior Phone Systems

### Product description

Press a button and call for help with the VTech CareLine SN7022 Wearable Home SOS Pendant. Once the button is pressed, the handset and base speakerphones will dial up to 5 numbers in sequence, allowing you to reach loved ones even if you can't reach the phone. This accessory device was designed for use with the CareLine cordless amplified sound phone system. Add it to your senior-friendly phone system for an extra sense of peace of mind while at home.

The VTech CareLine SN7022 Wearable Home SOS Pendant is water resistant, meaning it's splash proof. Bring it into the shower or use it near a sink without worry. Depending on use, the battery can last for years before needing to be replaced.

### Keywords

vtech careline, phones for hearing impaired, amplified cordless phone, cordless phone for seniors, senior phone big buttons, landline phones for seniors, phones for elderly, large button phones, senior cordless phone, telephone for seniors, senior friendly phones
