120V Super Shaker™ Bed Vibrator - SS120V

For

Sonic Boom®™ Alarm Clocks

The SS120V is a bed vibrator that works with Sonic Alert remote receivers and signalers.

This powerful vibrator is guaranteed to wake even the heaviest sleepers.

When used with Sonic Alert signalers such as the doorbell, telephone or baby cry the SS120V will begin to vibrate as soon as it receives a signal. The SS120V has a built-in temperature sensor that protects the unit against overheating.

The cord length is approximately 6 Feet.
