FEATURES

- True Wireless technology allows you to pair two cordless earbuds wirelessly
- Ultra mini and lightweight design with similar size of a quarter coin
- Wireless Bluetooth® V4.2+EDR supports A2DP, AVRCP, HSP, HFP, streaming music up to 33 ft
- With Smart Pairing technology, earbuds automatically connect to your mobile device when you take them out from charging case after one time initial pairing, similar to Apple AirPods
- If the earbuds exit the Bluetooth range of the mobile device, they will reconnect automatically, when coming back to Bluetooth range
- Superior sound with high quality speaker and optimized bass chamber.
- IPX4 rated water splash and sweat proof design for active lifestyle
- Ergonomic design with a double lock system of angled in-ear tips and ear fins for superior comfort and an active life
- Impressive noise isolation ear cushions with 3 different eartip sizes block external noises around you
- Built-in mic and remote for easy hands-free calling and music playback control*
(*Compatible with iOS / Android devices. Functionality may vary by device.)
- High capacity battery of 60 mAh on each earbud for long playing and talking time
- Charging storage box with 800 mAh charges both earbuds fully 5 times
- Right and left can be used separately as mono or together as stereo
- Convenient LED indicator
- Playback and talking time: up to 4 hours
- Standby time: 22 hours
